PROPOSAL form Dave Peterson

SECOND: Abra Slater

~~—Nor-Cal Club and Athlete Renewal in the 2021-22 competitive fiscal year be only \$50 per club and only \$1.00 per athlete each. This for only the one year resuming the rate of 2019-20 for the 2022-23 season— unless otherwise voted to adjust again.~~ For all new clubs— those not renewing from last year— the fee would be reinstated as it was in 2019-20 (\$100 per club and \$12 per athlete.) Since the year is not over, I would think that anyone wishing to catch up in payment for last year, may do so before submitting their new year dues.
